SPONSORSHIP, DONATION and VOLUNTEER OPPORTUNITIES

Banff “SaSquash” Tournament Jan 13 to Jan 15, 2023

The very popular Banff “SaSquash” Tournament is being held January 13 to 15, 2023 at The Banff Rocky Mountain Resort. The Bow Valley Squash Foundation is very excited to be partnering again with the Best of Banff group as your hosts for this prestigious event.

The event will not only be a first-class Provincial tournament, but will also serve as a fund raiser for the Junior Outreach Squash Program (JOS), run by the Bow Valley Squash Foundation on Thursdays from 4 to 7PM at The Banff Rocky Mountain Resort.

The program currently serves approximately 20 children and young adults from the communities of Morley, Exshaw, Canmore, Lake Louise, Kananaskis and Banff. Our participants are school kids and permanent residents as well as refugees, temporary foreign workers, immigrants, aboriginals and many others. Instruction is with a very experienced Squash Alberta certified coach, Cam Fishenden. JOS has been running since the Banff 2014 Alberta Winter Games with the purpose of teaching squash and life skills. The program is free to participants, as the Bow Valley Squash Foundation handles equipment and logistics, and the Banff Rocky Mountain Resort generously donates the court time.

WE NEED YOUR HELP – FINANCIALLY AND LOGISTICALLY

We need many things and invite you to consider assisting us in one of the following ways:

1. Financially:
 - Tournament sponsors - \$500.00 will get your name on the T-shirt/tournament souvenir and on a sponsorship poster at the tournament.
 - If you would like to be the Title Sponsor we will prominently promote your organization in all aspects of the Tournament. Details completely negotiable.
 - Prize sponsors – all Tournament Levels.
 - Donations for a silent or live auction to be held on Saturday evening.
 - Cash donations of any size to assist our JOS program are welcome. These can be conveniently email transferred to bowvalleysquashfoundation@shaw.ca.

At a minimum we need to raise \$10000 annually to support the JOS Program.
Your Sponsorship offers are vitally important. Please consider helping us.

2. Logistically

- We need volunteers to help in running the Tournament - check-ins, putting the entry packages together, tracking games scores, helping if ref shortages. If you can let us know what you may be interested in that would be great.
- One JOS logistical challenge is transportation of the kids when parents are not available. We need drivers and vehicles that can assist in any way from 3 PM to 7PM on Thursdays. Please consider helping us in this regard.

3. Volunteer/Donate to JOS

- We are always in need of equipment – racquets, shoes, glasses, shorts/shirts. If you can donate new or used (in good clean condition) any of these items please contact us.
- We are in need of furnished office space in Calgary. If you can help in this regard please let us know.

Please approach us for any information that you may require or assistance that you can provide.

Please contact any of the officers below if you can help.

For your convenience a Pledge Form is available.
